24th February 2023

Year 2 Chocolate Workshop

Dear Parents/carers

As part of our learning about chocolate this term, we are hoping to have our very own chocolate making workshop on Wednesday 22nd March 2023 for a morning of activities and experiences making and eating at school.

This will be an exciting experience which brings the children up close to the way chocolate is made and decorated. The children will also be taught about the history of chocolate and different piping techniques for decorating their chocolate moulds. We would like children to bring in their own moulds from home (they can be anything, for example an ice cube tray) that they will use to take their product home in.

To save on the cost to parents, we will be asking for parent volunteers to help with this workshop. If you have completed the training, then please let your child's class teacher know if you can help.

However, for us to run the workshop, we would like to ask for a voluntary contribution of £2 per child. This is to cover the cost of the chocolate, dried fruit ingredients and packaging that will be needed.

Unfortunately, if insufficient donations are received, the workshop will have to be cancelled as we are unable to supplement the cost from school funds.

Please could you make your donation of £**3** on **Teacher2Parents before Friday 10th March 2023.**

Thank you very much for your support.

Yours sincerely

Mr Allen
Year 2 teacher

Mrs Harris
