Year 2 Trip to Bedgebury Pinetum

Dear Families,

As part of our Term 1 learning entitled 'How can I help my community and planet?', we are planning a trip to Bedgebury Pinetum on **Monday 20th October.** This will be an exciting experience, which offers children the opportunity to investigate what animals and plants need from a home, through the variety of habitats that Bedgebury has to offer.

FOAPS have very kindly offered to pay for our coach, which reduces the cost significantly. Unfortunately, if insufficient donations are received, the trip will have to be cancelled as we are unable to supplement the cost from school funds. If you need some support with paying for this, please speak to the Head of School.

Please could you make your contribution of **£11.50** on Arbor before **6th October 2025**. In order for this trip to go ahead we will need a number of volunteer trained parent helpers to accompany us. If you would like to volunteer to help on this trip please contact your child's class teacher or the office.

The children will need:

- A packed lunch and a water bottle. Please do not include glass bottles, fizzy drinks or chocolate. If you would like a packed lunch provided by the school, please order this via the school office by **6th October 2025**.
- School uniform and a warm waterproof coat.
- Sensible footwear should be worn e.g. sturdy shoes/trainers
- No spending money is required
- Any prescribed medicines kept in school will be taken with us for your child to access if needed.

If you have any questions about this trip then please talk to your child's class teacher.

Thank you very much for your support.

Yours sincerely,

Miss Rickard
