Year 2 Owl Visit to School

Dear Parents/carers,

As part of our English learning next term, we have invited the Owl and Raptor Centre to come into school for an educational talk, bringing at least 3 different species of owls for the children to meet. The owls will be flying in the school hall and the speaker will explain the different types of owls. This will be an exciting experience which brings the children up close to the way these birds fly and how they live in the wild.

For this experience in school to take place, we would like to ask for a voluntary contribution of £4.20 per child.

Unfortunately, if insufficient donations are received, the experience will have to be cancelled as we are unable to supplement the cost from school funds. If you need some support with paying for this, please speak to the office.

Please could you make your donation of £4.20 on **Teacher2Parents before Monday 6th November 2023**

Thank you very much for your support.

Yours sincerely,

Mrs Harris
