Year 5 and 2 Buddy Event

Dear Parent/carer

This year, our Year 2 children will once again be partnered up with a Year 5 child as part of our buddy system. The purpose of this is to build a friendship during this academic year in readiness for our Year 2 children joining the Junior Site.

Our first event will be taking place on **Thursday 19th October** in the morning. During this morning, the children will meet their buddies, participate in some 'getting to know you' activities and then have some time to play together. The children will not find out their buddies until we are all together at the Infant Site.

Over the year we will have other events that will take place at the Junior site and we will be asking for volunteers to walk with us there and back. If you are not already a volunteer and would like to do this then please contact the office to find out how to become a volunteer.

Yours sincerely
