29th September 2023

Year 2 Wildlife Area Morning

Dear Parents/Carers,

As part of our learning on 'How can I help my community and planet?' in term one, we are planning to take the children into the wildlife area at school on Wednesday 4th October 2023 in the morning.

This will be an exciting experience, which offers the children an opportunity to learn about the different habitats within the wildlife area. We will be looking for habitats and the animals that might live there. We will also be observing any signs of seasonal change. On the day the children will wear school uniform and wear appropriate footwear, either trainers or wellington boots (these are likely to get muddy) depending on the weather. They will need a coat, and please ensure they have a water bottle and school shoes to change into, as well as a plastic bag to take their muddy boots home in.

We were hoping to walk to Crowborough Country Park but we did not have enough walker volunteers and as such we have had to change to an onsite experience. In future we hope to have more volunteers so this does not happen again.

Thank you very much for your understanding and we are sure the children will have a wonderful time.

Yours sincerely,

Mrs Harris
Year 2 teacher

Mr Gosling
Year 2 teacher

Mrs Coogan
