Friday 15th May

**Year 2 Zoolab to school on Thursday 4th June**

Dear Families,

As part of our science learning next term on habitats, we have invited Zoolab to come into school for an educational talk, bringing a range of African animals which might include the following: stick insects, tarantula, scorpion, corn snake, giant millipedes, cockroaches, giant African land snail, tree frog and rat for the children to see and handle. This will be an exciting opportunity for the children to get up close and personal with some fascinating and unfamiliar animals.

With a FOAPS contribution to the cost of the event, this has significantly reduced the cost. We request that you make a voluntary contribution of **£3.50** per child by **Friday 29th May.**

If you would like to pay a little extra, you can increase the amount when making your payment in Arbor. For example, if the trip is £14, you might choose to pay £20 or decide that you want to cover the cost for more than one child, if you are in a position to do so.

Thank you very much for your support.

Yours sincerely,

Miss Rickard
Year 2 teacher

Mrs Aucock
Year 2 teacher

Mrs Stephen
Head of Infant school
