Year 2 Charity Event: Sponsored Walk Wednesday 29th January 2025

Dear Parents/Carers,

Year Two are holding this term's charity event. The pupils have chosen to support The Crowborough Community Pantry. The children wanted to support a charity based in Crowborough and this will also support the school's application to keep our ECO flag status. The money raised will go towards making improvements to their facilities supporting those who need help. See the link for more information. https://greentransitioncrowborough.org.uk/pantry/

After a discussion and democratic vote, the children have decided to hold a sponsored walk around our playground. They are going to walk the equivalent of the distance between Ashdown School and the Community Pantry in Crowborough and back again, which will be just over 1.9km. On the day, the children will walk laps of playground, and we would like you to sponsor them for every lap (or 60 metres) they manage to walk on the morning. To achieve the distance, they will need to walk at least 32 laps of the playground

We would appreciate your support with sponsoring your child in this event. Pupils will bring home a sponsorship form next week to record the details of their sponsors. A link will be set up which will allow you to make any donations securely on **Arbor** before **Friday 14th February,** as this is the end of this term. You will not need to make any cash payments.

Thank you very much for your support.

Yours sincerely,

Mrs Harris
