Year 2 Zoolab visit to school Tuesday 4th June 2024

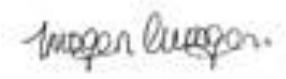
Dear Parents/carers,

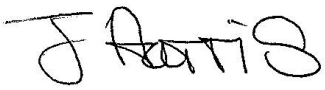
As part of our science learning next term on habitats, we have invited Zoolab to come into school for an educational talk, bringing a range of African animals such as stick insects, tarantula, scorpion, corn snake, giant millipedes, cockroaches, giant African land snail, tree frog and rat for the children to see and handle. This will be an exciting opportunity for the children to get up close and personal with some fascinating and unfamiliar animals.

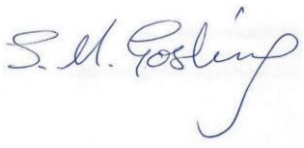
For this experience in school to take place, we would like to ask for a voluntary contribution of £9.15 per child.
Unfortunately, if insufficient donations are received, the experience will have to be cancelled as we are unable to supplement the cost from school funds. If you need some support with paying for this, please speak to Mrs Gibbs.

Please could you make your donation of £9.15 on **Abor before Thursday 9th May 2024.**
.
Thank you very much for your support.

Yours sincerely,







Mrs Coogan
Year 2 teacher

Mrs Harris
Year 2 teacher

Mr Gosling
